4. Adequacy of References to Related Statutes, Rules and Forms

It appears that the following statutes cited in the “statutes interpreted” section have no relationship to the proposed rule changes: ss. 450.06 (2) (b), 450.09 (3), and 450.11 (1) and (2), Stats. If they are in fact being interpreted, the agency should explain why. It appears that these cites should be replaced with s. 450.02 (3) (a), (d), and (e), Stats., as sub. (3) appears to be both statutory authority and the statute being interpreted.
